

*So, what actually is the role of the additional educator?*

A member of the team.

Support's all children in the room.

To help increase the educator-to-child ratio.

*What do educators do when they have an additional educator in the room?*

Share the daily tasks and responsibilities with all educators.

Support the active participation of all children across all program aspects.

Work together to implement the strategies and actions from the Strategic Inclusion Plan.

*...what is important is that all educators support and remain with all children in the care environment, to ensure they can participate fully in all aspects of the day.*
